

Help make the holidays brighter for families in our community by supporting

La Maestra's Annual Holiday Toy & Gift Drive

How you and your organization can help:

- Sponsor the Event*
- Host a collection box at your business or holiday party where staff and visitors can donate unwrapped, new and gently used toys, kids' books, clothing and non-perishable food.

We can bring you a decorated box and pick up the donations when it is full.

- In mid-December, help us to sort the toys before our big giveaway events, which will take place on December 19th-22nd at our five main clinic sites (in City Heights, El Cajon, Lemon Grove and National City) and
- Join Santa at our five sites to sing carols and entertain the kids and families while they are waiting for their gifts.
